

David Harris Schaffer, MD

david.schaffer@prismahealth.org

EDUCATION AND POST-GRADUATE TRAINING

University of Virginia, Charlottesville, VA

Fellowship in Division of Medical Toxicology | 07/2022 – 06/2024

Training in Medical Toxicology at the UVA Division of Medical Toxicology and Blue Ridge Poison Center.

Harvard Affiliated Emergency Medicine Residency, MGH/BWH, Department of Emergency Medicine, Boston, MA

Resident Physician | 06/2018 – 06/2022

Clinical Fellow at Harvard Medical School, residency training at Massachusetts General and Brigham & Women's

University of North Carolina at Chapel Hill, School of Medicine, Chapel Hill, NC

Doctor of Medicine (MD) | 08/19/2014 – 05/13/2018

Georgetown University, College of Arts and Sciences, Washington, D.C.

Bachelor of Science, Biology of Global Health | 09/2010 – 05/2014

Graduated Magna Cum Laude

Recipient of the Georgetown University Biology medal for “the highest degree of industry, perseverance, leadership, maturity, and promise in the field of biology.”

EMPLOYMENT & NON-CLINICAL TRAINING

Prisma Health Upstate and University of South Carolina School of Medicine Greenville, Greenville, SC

Director of Medical Toxicology, Department of Emergency Medicine | 08/05/2024 – Present

Emergency physician and director of a the medical toxicology inpatient consult service and outpatient clinic at Prisma Health – Upstate.

Palmetto Poison Center, Columbia, SC

Medical Toxicologist | 09/2024 – Present

Supervise nurses and pharmacists as a Medical Toxicologist at South Carolina's only Poison Center.

American College of Medical Toxicology (Non-clinical), Phoenix, AZ

Medical Toxicology in Industry Fellowship | 10/2022 - 11/2022

Organized by Bayer and the American College of Medical Toxicology, completed fellowship program designed to teach the principles of product development from the R&D pipeline, through the regulatory process, to launch and post-market stewardship.

University Physicians Group, University of Virginia Medical Center, Charlottesville, VA

Clinical Instructor in Emergency Medicine | 07/26/2022 – 06/30/2024

Attending Physician at the University of Virginia Medical Center, Department of Emergency Medicine.

Butterfly Network, Inc. (Non-clinical), Burlington, MA

Consulting Emergency Physician | 01/2022 - Present

Consulting physician in ultrasound technologies.

One Tent Health (Non-clinical), Washington, D.C.

Co-Founder & Policy Director | 01/2016 – Present

Directing public health strategy and operations of a DC-based non-profit organization committed to addressing the HIV epidemic in underserved areas of the nation's capital, now with over 4000 volunteers, partnerships with both the DC Department of Health and several nongovernmental organizations, and service expansion to include opioid abuse education, naloxone and PrEP prescription, and COVID-19 testing. Featured in *JAMA*, *The Washingtonian*,

David Harris Schaffer, MD

david.schaffer@prismahealth.org

POZ, HIVPlus, The Washington Blade, and others. We have presented our work at local and national meetings, including to the Centers for Disease Control (CDC) Division of HIV Prevention.

OTHER RESEARCH AFFILIATIONS

StatPearls, Treasure Island, Florida

Senior Editor-in-Chief, Toxicology | 05/2024 – Present

StatPearls is a leading professional healthcare education and technology company. Along with an expansive array of point-of-care and educational activities, more than 8,000 authors and editors have published nearly 10,000 peer-reviewed PubMed-indexed articles on virtually every clinical topic in healthcare.

SpaceX (Non-clinical), Hawthorne, CA

Medical Toxicology Collaborator | 09/2022 – 02/2024

Collaborated with the Space Operations Physician Lead to develop protocols for toxicologic exposures and emergencies in space. Projects have included institution of hypergol fuel exposure protocols, derivation of exposure limits to toxic gases and volatile liquids, and identification of risk mitigation strategies. Research published in *Clinical Toxicology*.

University of North Carolina Project China, Guangzhou, China

Research Fellow | 06/2015 – 07/2015

Investigated community engagement-based public health strategies in South China as a Fellow of the Infectious Disease Society of America (IDSA), American Society of Tropical Medicine and Hygiene (ASTMH), and UNC Global Enrichment Fund. Findings published in *BMC Public Health*, 2017: “Innovation contests to promote sexual health in china: a qualitative evaluation.”

Georgetown University Department of Biology, Washington, D.C

Research Technician | 05/2014 – 08/2014

Operated under USDA grant to design and program quantitative models of a recent Porcine Epidemic Diarrheal Virus outbreak in the U.S. Work was used for a presentation given by the principal investigator to USDA representatives.

State Key Laboratory of Genetic Engineering, Fudan University, Shanghai, China

Research Assistant | 06/2012 – 08/2012

Investigated the efficacy of new molecular models for a Foot-and-Mouth Disease Virus vaccine. Methods focused on in vitro measurement of neutralizing antibodies to synthetic epitopes.

Other Selected Lectures & Presentations

- *Introduction to Medical Toxicology* – Invited Guest Lecture, Integrative Practice of Medicine Curriculum, USC School of Medicine, Greenville, SC, 22 April 2025
- *Rodenticides, Acidosis, and Toxic Alcohols* – Invited Guest Lecture, Department of Internal Medicine, Prisma Health, Greenville, SC 16 April 2025
- *Acetaminophen Poisoning* – Invited Guest Lecture, Pediatric Quality M&M, Prisma Health, Greenville, SC, 11 April 2025
- *Updates and Trends in Pediatric Poisoning & Overdose* – Invited Guest Lecture, Parkside Pediatrics, Greenville, SC, 10 April 2025
- *Medical Toxicology Simulation in Internal Medicine* – Invited Guest Lecture, Department of Internal Medicine, Prisma Health, Greenville, SC, 28 March 2025
- *The Toxicology of Psychiatric Medications* – Invited Guest Lecture, Division of Child Psychiatry, Greenville, SC, 29 January 2025
- *Heavy Metal Poisoning* – Invited Guest Lecture, USCSOMG Multisystem Course, 16 January 2025
- *The Toxidromes* – Invited Guest Lecture, USCSOMG Multisystem Course, 16 January 2025
- *Emerging Psychoactive Substances: Considerations in Overdose and Withdrawal* – Invited Grand Rounds, Prisma Health Upstate Department of Psychiatry, 11 September 2024
- *Updates and Trends in Pediatric Poisoning & Overdose* – Invited Grand Rounds, Prisma Health Upstate Departments of Medicine and Pediatrics, 16 August 2024
- *Dietary Supplements: History, Regulation, and Toxicity* – Medical Toxicology Divisional Education Conference, University of Virginia, June 2023
- *Introduction to Toxicology* – University of Virginia Emergency Medicine Interns, 3 July 2023
- *Cardiac Glycosides* – University of Virginia Department of Emergency Medicine Educational Conference, 24 May 2023
- *Neurotoxic Metals* – Medical Toxicology Divisional Education Conference, University of Virginia, 13 April 2023
- *Toxic Products in the Emergency Department* – Lecture to University of Virginia Department of Emergency Medicine Educational Conference, October 2022
- *Airway management in Wilderness Medicine* - Lecture to University of Virginia Wilderness Medicine Students, October 2022
- *Marine Envenomations* – University of Virginia Wilderness Medicine Education, October 2022
- *Chronic Acetaminophen Poisoning* – Medical Toxicology Divisional Education Conference, 17 November 2022
- *Barbiturate and Guanfacine Poisonings* – Medical Toxicology Divisional Education Conference, 25 August 2022
- *Ocular Trauma* – Massachusetts General Hospital Emergency Medicine Educational Conference, March 2020
- *Psychosis in the Emergency Department* – Prepared for Oakstone Lectures, March 2020

David Harris Schaffer, MD

david.schaffer@prismahealth.org

- *Acute Coronary Syndromes for the Emergency Clinician* – Prepared for Oakstone Lectures, March 2020
- *Cathinone Toxicity* – Conference of the Division of Medical Toxicology, Brigham & Women's Hospital, 01 November 2019
- *HINTS Exam for Posterior Fossa Stroke* – Massachusetts General Hospital Emergency Medicine Educational Conference, 05 March 2019
- *Continuous versus Interrupted Chest Compressions in CPR* – Massachusetts General Hospital Emergency Medicine Educational Conference, 05 March 2019
- *Foreign Bodies in the Hand: Case and Literature Review* – Massachusetts General Hospital Emergency Ultrasound Conference, 27 February 2019
- *Returning Traveler with Fever* – Brigham & Women's Hospital Emergency Medicine Educational Conference, 05 February 2019
- *Nonprofit and Startup Management* – Lecture to Robin Healthcare Group, 30 January 2019
- *History of HIV in the United States* – Lecture to One Tent Health Summer Fellows, May 2018
