

David Harris Schaffer, MD, MRO

david@schaffertox.com

EDUCATION AND POST-GRADUATE TRAINING

University of Virginia, Charlottesville, VA

Fellowship in Division of Medical Toxicology | 07/2022 – 06/2024

Training in Medical Toxicology at the UVA Division of Medical Toxicology and Blue Ridge Poison Center.

Harvard Affiliated Emergency Medicine Residency, MGH/BWH, Department of Emergency Medicine, Boston, MA

Resident Physician | 06/2018 – 06/2022

Clinical Fellow at Harvard Medical School, residency training at Massachusetts General and Brigham & Women's

University of North Carolina at Chapel Hill, School of Medicine, Chapel Hill, NC

Doctor of Medicine (MD) | 08/19/2014 – 05/13/2018

Georgetown University, College of Arts and Sciences, Washington, D.C.

Bachelor of Science, Biology of Global Health | 09/2010 – 05/2014

Graduated Magna Cum Laude

Recipient of the Georgetown University Biology medal for "the highest degree of industry, perseverance, leadership, maturity, and promise in the field of biology."

EMPLOYMENT & NON-CLINICAL TRAINING

Prisma Health Upstate and University of South Carolina School of Medicine Greenville, Greenville, SC

Director of Medical Toxicology, Department of Emergency Medicine | 08/05/2024 – Present

Emergency physician and director of the medical toxicology inpatient consult service and outpatient clinic at Prisma Health – Upstate.

University of South Carolina School of Medicine, Greenville, SC

Clinical Assistant Professor | 08/2024 – Present

Core faculty with rank of Clinical Assistant Professor

University of South Carolina College of Pharmacy, Columbia, SC

Clinical Assistant Professor | 06/2025 – Present

Academic affiliate with rank of Clinical Assistant Professor

Clemson University School of Health Research, Clemson SC

Clinical Assistant Professor | 04/2026 – Present

Academic affiliate with rank of Clinical Assistant Professor

Palmetto Poison Center, Columbia, SC

Medical Toxicologist | 09/2024 – Present

Supervise nurses and pharmacists as a Medical Toxicologist at South Carolina's only Poison Center.

American College of Medical Toxicology (Non-clinical), Phoenix, AZ

Medical Toxicology in Industry Fellowship | 10/2022 - 11/2022

Organized by Bayer and the American College of Medical Toxicology, completed fellowship program designed to teach the principles of product development from the R&D pipeline, through the regulatory process, to launch and post-market stewardship.

University Physicians Group, University of Virginia Medical Center, Charlottesville, VA

Clinical Instructor in Emergency Medicine | 07/26/2022 – 06/30/2024

Attending Physician at the University of Virginia Medical Center, Department of Emergency Medicine.

David Harris Schaffer, MD, MRO

david@schaffertox.com

Butterfly Network, Inc. (Non-clinical), Burlington, MA
Consulting Emergency Physician | 01/2022 - Present
Consulting physician in ultrasound technologies.

One Tent Health (Non-clinical), Washington, D.C.
Co-Founder & Policy Director | 01/2016 – Present
Directing public health strategy and operations of a DC-based non-profit organization committed to addressing the HIV epidemic in underserved areas of the nation’s capital, now with over 4000 volunteers, partnerships with both the DC Department of Health and several nongovernmental organizations, and service expansion to include opioid abuse education, naloxone and PrEP prescription, and COVID-19 testing. Featured in *JAMA*, *The Washingtonian*, *POZ*, *HIVPlus*, *The Washington Blade*, and others. We have presented our work at local and national meetings, including to the Centers for Disease Control (CDC) Division of HIV Prevention.

OTHER RESEARCH AFFILIATIONS

StatPearls, Treasure Island, Florida
Senior Editor-in-Chief, Toxicology | 05/2024 – Present
StatPearls is a leading professional healthcare education and technology company. Along with an expansive array of point-of-care and educational activities, more than 8,000 authors and editors have published nearly 10,000 peer-reviewed PubMed-indexed articles on virtually every clinical topic in healthcare.

SpaceX (Non-clinical), Hawthorne, CA
Medical Toxicology Collaborator | 09/2022 – 02/2024
Collaborated with the Space Operations Physician Lead to develop protocols for toxicologic exposures and emergencies in space. Projects have included institution of hypergol fuel exposure protocols, derivation of exposure limits to toxic gases and volatile liquids, and identification of risk mitigation strategies. Research published in *Clinical Toxicology*.

University of North Carolina Project China, Guangzhou, China
Research Fellow | 06/2015 – 07/2015
Investigated community engagement-based public health strategies in South China as a Fellow of the Infectious Disease Society of America (IDSA), American Society of Tropical Medicine and Hygiene (ASTMH), and UNC Global Enrichment Fund. Findings published in *BMC Public Health*, 2017: “Innovation contests to promote sexual health in china: a qualitative evaluation.”

Georgetown University Department of Biology, Washington, D.C
Research Technician | 05/2014 – 08/2014
Operated under USDA grant to design and program quantitative models of a recent Porcine Epidemic Diarrheal Virus outbreak in the U.S. Work was used for a presentation given by the principal investigator to USDA representatives.

State Key Laboratory of Genetic Engineering, Fudan University, Shanghai, China
Research Assistant | 06/2012 – 08/2012
Investigated the efficacy of new molecular models for a Foot-and-Mouth Disease Virus vaccine. Methods focused on in vitro measurement of neutralizing antibodies to synthetic epitopes.

Presentations at Scientific Meetings

- *Nitrous oxide abuse resulting in vitamin B12 deficiency and venous thromboembolism* – New England Regional Toxicology Conference, 11 March 2021.
- *A Rapid, Pop-up HIV Screening, Prevention, and PrEP program in Washington, DC* – NIH and AcademyHealth 13th Annual Conference on the Science of Dissemination and Implementation in Health, 4 December 2020.
- *Crowd Wisdom & Problem Solving: How can Wikimedia Engage?* – WikiConference USA, Washington, DC, October 2015.

Invited Lectures and Presentations (National/Regional)

- *Medical Toxicology Perspectives on Drug-Facilitated Sexual Assault* – Invited Guest Lecture with representatives from South Carolina Law Enforcement Division, Enhancing and Expanding Sexual Assault Response and Support Conference. Sponsoring Organizations: Prisma Health, Clemson University School of Nursing, 17 April 2025
- *Billing and Coding in Medical Toxicology* – Invited lecture to the American College of Medical Toxicology Section Chiefs Committee, 4 September 2025.

David Harris Schaffer, MD, MRO

david@schaffertox.com

- *Critical Toxicology in the Emergency Department and Pre-Hospital Setting* – Sponsoring Organization: Linville Central Rescue Squad, 1 July 2025.
- *One Pill Can Kill: Pediatric Toxicology* – 7th Annual Up-to-Date Symposium for Advanced Practice Professionals; Sponsoring Organization: Prisma Health / Clemson School of Nursing, 8 March 2025.
- *Community-based, Rapid HIV Screening and Pre-exposure Prophylaxis Initiation* – Invited Lecture to the Centers for Disease Control (CDC) Division of HIV Prevention, 1 February 2023.

Invited Lectures and Presentations (Institutional/Local)

- *Core Toxicology in Pediatrics* – Invited Guest Lecture, Department of Pediatrics, Prisma Health, 09 February 2026
- *The Last-Mile Antidotes: Lessons and Highlights from a Year of Rare Toxicology Cases* – Invited Grand Rounds Lecture, Department of Internal Medicine, Prisma Health, 20 January 2026.
- *Heavy Metal Poisoning* – Invited Guest Lecture, USCSOMG Multisystem Course, 13 January 2026.
- *Drugs of Abuse and Occupational Exposures* – Invited Guest Lecture, USCSOMG Multisystem Course, 13 January 2026.
- *The Toxidromes* – Invited Guest Lecture, USCSOMG Multisystem Course, 13 January 2026
- *Marine Envenomations* – Department of Emergency Medicine, Prisma Health, 11 December 2025.
- *Psychotropic Overdoses* – Department of Internal Medicine, Prisma Health, 1 December 2025.
- *Neurotoxic Metals and the CNS: History, Case Review, and Updates* – Invited Grand Rounds Lecture, Department of Neurology, Prisma Health, 29 October 2025
- *Novel Psychoactive Substances* – Department of Emergency Medicine, Prisma Health – Upstate, 9 October 2025.
- *Management of Snake Envenomations* – Morbidity and Mortality Conference, Departments of Pediatrics and Pediatric Surgery, Prisma Health, 12 September 2025.
- *Drug Testing Interpretation for Pediatric and Forensic Contexts* – Invited Guest Lecture, Division of Child Abuse Pediatrics, Department of Pediatrics, Prisma Health – Upstate, 7 August 2025.
- *Introduction to Medical Toxicology* – Invited Guest Lecture, Integrative Practice of Medicine Curriculum, USC School of Medicine, Greenville, SC, 22 April 2025.
- *Rodenticides, Acidosis, and Toxic Alcohols* – Invited Guest Lecture, Department of Internal Medicine, Prisma Health, Greenville, SC 16 April 2025.
- *Acetaminophen Poisoning* – Invited Guest Lecture, Pediatric Quality M&M, Prisma Health, Greenville, SC, 11 April 2025.
- *Updates and Trends in Pediatric Poisoning & Overdose* – Invited Guest Lecture, Parkside Pediatrics, Greenville, SC, 10 April 2025.
- *Medical Toxicology Simulation in Internal Medicine* – Invited Guest Lecture, Department of Internal Medicine, Prisma Health, 28 March 2025.
- *Cannabis & Driving Impairment: Evidence Review and Updates* – Invited Grand Rounds Lecture, University of Virginia, Division of Medical Toxicology, 6 March 2025.
- *The Toxicology of Psychiatric Medications* – Invited Guest Lecture, Division of Child Psychiatry, Prisma Health,, 29 January 2025.
- *Heavy Metal Poisoning* – Invited Guest Lecture, USCSOMG Multisystem Course, 16 January 2025.
- *The Toxidromes* – Invited Guest Lecture, USCSOMG Multisystem Course, 16 January 2025.
- *Emerging Psychoactive Substances: Considerations in Overdose and Withdrawal* – Invited Grand Rounds, Department of Psychiatry, Prisma Health, 11 September 2024.
- *Updates and Trends in Pediatric Poisoning & Overdose* – Invited Grand Rounds, Departments of Medicine and Pediatrics, Prisma Health, 16 August 2024.
- *Dietary Supplements: History, Regulation, and Toxicity* – Division of Medical Toxicology, University of Virginia, June 2023.
- *Introduction to Toxicology* – Department of Emergency Medicine, University of Virginia, 3 July 2023.
- *Cardiac Glycosides* – Department of Emergency Medicine, University of Virginia, 24 May 2023.
