and remove all records concerning the subsequent criminal and/or juvenile proceedings regarding such charge(s), including any conviction(s), adjudication(s) of delinquency or disposition(s), if applicable, and place such information in the control of a person within the office designated to retain control over expunged records.

The State objected to the expungement of petitioner's conviction for violation of a borough ordinance (SFC-2022-032106-1525) because it has not been two years since the date of that conviction. See N.J.S.A. 2C:52-4 (stating a conviction for violation of a borough ordinance is not eligible for expungement until two years have expired since the later of various dates

including the date of conviction). However, petitioner does not seek to expunge the conviction for violation of a borough ordinance as part of this petition. Therefore, as the matters that are sought to be expunged as part of this petition are eligible for expungement, the court grants same.
