

BIBLIOGRAPHY: PEER REVIEWED PUBLICATIONS:

1. Recommendations for *C.difficile* Infection (CDI) Treatment and Control. P. Hookman, J. Barkin Practical Gastroenterology. 2009. 33(11):14-20.
2. *C.difficile* Associated Infection, Diarrhea, and Colitis. P. Hookman, J. Barkin World J Gastroenterology 2009; 15(13): 1554-1580.
3. Multicenter Medical Malpractice Risk Reduction Study For Medical Students, Trainees & Practicing Physicians Using Short Burst [SBS] E-Mailed Seminars P. Hookman, G.Weinberg, M. Pato, R. Gelfand , B.Rosof J. Barkin Am.J.Gastro.2008.103[S 211]:Abst.546.
4. *C. difficile* Associated Disorders/Diarrhea (CDAD) and *C.Difficile* Colitis (CDAC): The Emergence of a More Virulent Era. Perry Hookman MD., Jamie Barkin MD Digestive Diseases & Sciences. 2007; 52(3) (online); print edition: 2007; 52(4):1071- ISSN 0163-2116.
5. Guidelines for Prevention, Surveillance, Diagnosis, & Treatment, and, in this New Era of More Virulent Strains of Antibiotic Associated Diarrhea (AAD), *C. difficile* associated Diseases/Diarrhea (CDAD) and *C. difficile* Colitis(CDAC) P. Hookman,, J. Barkin, 6/2006. Practical Gastroenterology p.65.
6. Post- Cholecystectomy Recurrent Acute Pancreatitis Secondary to Sump Syndrome .V. Cabon P. Hookman MD. J. Barkin MD., the American Journal of Gastroenterology.Sept.2005; 100 (8):236.
7. Systemic Autoimmune Disorders Associated with Celiac Disease. Jason Slate MD., Perry Hookman MD., Jamie Barkin MD, Digestive Disease &Science, Sept. 2005; 50(9):1705-7.
8. Update on the Causes and Standards of Care for the Diagnosis and Treatment of Hepatocellular Carcinoma. N. Prysopoulos MD, P. Hookman MD, J. Barkin MD, Practical Gastroenterology.2005, 29(4):98.
9. Update on Current Standards of Care in the Diagnosis and Management of Non-Alcoholic Fatty Liver Disease (NAFLD) and Non-Alcoholic Steatohepatitis (NASH), P. Hookman M.D., J. Barkin, M.D., Practical Gastroenterology, 2004; 38(10):82-. Part II Medical Therapy.

10. Update on Current Standards of Care in the Diagnosis and Management of Non-Alcoholic Fatty Liver Disease (NAFLD) and Non-Alcoholic Steatohepatitis (NASH), P. Hookman, J. Barkin, Practical Gastroenterology, 2004; 38(9):70; Part I, Diagnosis.
11. Current Biochemical Studies of Non- Alcoholic Fatty Liver Disease (NAFLD) and Non-Alcoholic Steatohepatitis (NASH) Suggests a New Therapeutic Approach. Perry Hookman MD, Jamie Barkin MD, The American Journal of Gastroenterology. 2003; 98(2):495. Published also in The American Journal of Gastroenterology.2003; 98(9):2093.
12. Systemic Autoimmune Disorders Associated With Celiac Disease (CD) A Case Report. Jason A. Slate MD, Perry Hookman MD, Richard S. Philips MD, and Jamie Barkin MD. The American Journal of Gastroenterology. 2002; 97(9):136.
13. Recommendations for Greater Accuracy in the Standard of Care for the Detection of Early Barrett's Esophageal Cancer. Perry Hookman MD, Jamie Barkin MD, The American Journal of Gastroenterology.2002; 97(9):1246.
14. What should be the Standard of Care for the Surveillance of Cancer, the Diagnosis of Dysplasia, and the Decision for Colectomy in Chronic Inflammatory Bowel Disease? Perry Hookman MD, Jamie Barkin MD, The American Journal of Gastroenterology. 2002, 97(9):1249.
15. Early Diagnosis and Treatment of Hepatitis C (HCV). Richard Philips MD, Perry Hookman MD, J. Barkin MD. The American J of Gastroenterology.2000; 95(9):2597.Abst.
16. Laparoscopic Cholecystectomy Should Be Routinely Performed with Intraoperative Cholangiography. Perry Hookman MD, Stephen Unger MD, Jamie Barkin MD, the American Journal of Gastroenterology. 2000; 95(11):3299.
17. Surgical complications of Fundoplication for Gastro Esophageal Reflux Disease: Perry Hookman MD, Jamie Barkin MD, The American Journal of Gastroenterology. 2000; 95(11):3305.
18. Diagnosis of Acute Right Lower Quadrant Pain and Appendicitis by CT Scan: Do We Still Need the Clinician? Perry Hookman MD, Jamie S. Barkin MD, the American Journal of Gastroenterology. 2000 95(5):1355.
19. Maryland Medical History: Was William Osler Responsible for Gertrude Stein's Failure to Graduate from the Johns Hopkins University School of Medicine? W.J. Hookman MD, Perry Hookman MD, Md Medical Journal 1999.48(5):220.

20. The Diagnosis and Management of Unexplained Chest Pain - Is Less More? Perry Hookman MD, Jamie S. Barkin MD, the American Journal of Gastroenterology. 1999.94(8):2310.
21. The Role of Vigorous Detection of Recurrence after Curative Resection of Colorectal Cancer, Perry Hookman MD, Jamie S. Barkin MD, the American Journal of Gastroenterology. 1998.93(12):2624.
22. Pancreatic sphincter hypertension increases the risk of post-ERCP Pancreatitis: Perry Hookman MD, Jamie Barkin MD, and Gastrointestinal Endoscopy. 1998.48(5):546.
23. A Comparison of the Writings of Sir William Osler and His Exemplar Sir Thomas Browne, Perry Hookman, Bulletin of the New York Academy of Medicine. 1997; 72(1):1.
24. Sir William Osler and the Current Trajectory of Medical Education and Health Care at American Academic Health Centers, Perry Hookman MD, Md Med Journal, 1994.43(7)569.
25. Signs of the Times: Anti-Managed Care Legislation Possibilities, Perry Hookman MD, And Physicians Practice Digest - Maryland, 1992.3(4):30.
26. Sir William Osler - Contrasts Between the Saint-like Legend and the Rough-edged Man, Perry Hookman MD, Maryland Medical Journal, 1992.41(11).997.
27. Checklist used to justify Endoscopy problems. Models for Cost Management and Health Care Quality: Perry Hookman MD, Innovations '92; Publication of the American College of Physician Executives, Promocom Printing, Inc., Pinellas Park, Florida. May 1992. ISBN: 0-924674-1
28. An Outline of Possible New Anti-Managed Care Legislation in Maryland, Perry Hookman MD, The Legislative and Regulatory Climate for Managed Care, American Managed Care and Review Association's Health Policy Forum, May 1992 p.40
29. Establishing a Successful Performance Appraisal System for Health Services Organization Personnel, Perry Hookman MD, and Perspectives in Medical Management '92; Published by the American College of Physician Executives. 1992 p.43-144. ISBN: 0-924674-16-4.
30. Pro-Active Feedback Loops in the Management of Clerical and Clinical Personnel of a Medical Group Practice, Perry Hookman MD, Perspectives in Medical Management '92; Published by the American College of Physician Executives. 1992 p.19-22. ISBN: 0-924674-16-4.

31. Practice Guidelines: The Second Generation of Utilization Review: How to Make it Work for the Health Service Organization, Perry Hookman MD, Perspectives in Medical Management '92: Published by the American College of Physician Executives. 1992 p.145-146. ISBN: 0-924674-16-4.
32. History of Medicine: Sir William Osler - Alias Edgerton Yorrick Davis: Tall Tales Told Convincingly. Perry Hookman MD, Montgomery Medicine, March 1992 p. 19-22.
33. Arterial Oxygen Desaturation during Ambulatory Endoscopy occurs without EKG changes. Perry Hookman MD, V.P. Chandar MD, A. Kenigsberg MD, M. Moran MD, M. Mondino MD, M. Thomas MD, and Robert Hirsch MD, Gastrointestinal Endoscopy, 1992; 38:283, March/April, abst.
34. Age & Gender and Type of Procedure are Independent Predictors of Arterial Oxygen Desaturation during Ambulatory Endoscopy. Perry Hookman MD, V.P. Chandar MD, A. Kenigsberg MD, M. Moran M D, M. Mondino MD, M.Thomas MD, and Robert Hirsch MD. American Journal of Gastroenterology, 1991; 86:1371, abst.
35. Gallbladder Carcinoma with Gastric Outlet Obstruction and Gallstone Ileus. Maximo Singer, M.D., V.P. Chandar, M.D., and Perry Hookman, M.D. Journal of the South Med Assoc, 1986.79:7.
36. Affiliation with an Academic Medical Center II, Perry Hookman MD, Hosp.Topics, 1984; 62:2.
37. Affiliation with an Academic Medical Center I, Perry Hookman MD, Hosp.Topics, 1984.62:2.
38. Fundamentals of Internal Medicine - Book Review, Perry Hookman MD, Annals of Internal Medicine, 1983. 99:3:426.
39. Choledochocolonic Fistula through a Cystic Duct Remnant, V.P. Chandar MD, Perry Hookman MD. American Journal of Gastroenterology, 1980; 74:179-181.
40. Editorial: Crisis in Medical Education. Perry Hookman, M.D., Bulletin of the Association of Hospital Medical Education, March 1976
41. G.I. Manifestation of collagen Disease, Perry Hookman MD, Consultant, January 1973
42. Reserpine in Raynaud's Disease and Phenomenon. Short Term Responses to Intra-arterial Injection. James T. Willerson MD, Ronald H. Thompson MD, Perry Hookman MD, Jean Herdt MD, and John L. Decker MD, Annals of Internal Medicine.;1970.1:17

43. Hiatal Hernia Evaluation, Perry Hookman MD, Consultant, May 1969
44. New Techniques for Accurate Diagnosis and Management of Hiatal Hernia and Gastroesophageal Reflux. Perry Hookman MD, Medical Annals of the District of Columbia, 1969.38:243
45. How to Identify the Troublesome Hiatal Hernia. Perry Hookman MD, Consultant, Feb 1969
46. Upper G.I. Symptoms: Also Consider the Collagen Diseases. Perry Hookman MD, Consultant June 1968
47. Acid Induced Prolonged Relaxation of Lower Esophageal Sphincter. Perry Hookman MD, Clinical Research, 1967; 15:235, abst.
48. Relationship of Altered Esophageal Primary Peristalsis to Acid Induced Pain: A Manometric Study. Perry Hookman MD, Gastroenterology 52:1095, 1967 abst
49. Failure of Oxethazaine to Alter Acid Induced Esophageal Pain. Perry Hookman MD, Charles Siegel MD, and Thomas R. Hendrix MD, American Journal of Digestive Diseases 1966.11:811
50. Acid Barium Swallows in the Radiographic Evaluation of Clinical Esophagitis, Martin W. Donner MD, Martin L. Silbiger MD, Perry Hookman MD, and Thomas R. Hendrix MD. Radiology; 1966 87:220.
51. A Comparison of Endoscopic Biopsy and Esophageal Exfoliative Cytology in Establishing the Diagnosis of Carcinoma of the Esophagus. Perry Hookman MD, Gastrointestinal Endoscopy 1966; 12:29.
52. Simultaneous Manometric Recording of Internal and External Anal Sphincteric Reflexes, Marvin M. Schuster MD, Perry Hookman MD, Thomas R. Hendrix MD and Albert I. Mendeloff MD. Bulletin of the Johns Hopkins Hospital.1965; 16:79.
53. Acid Induced Esophageal Motor Abnormalities: A Cine-Manometric Study. Perry Hookman MD, Martin L. Silbiger MD, Martin W. Donner MD, and Thomas R. Hendrix MD, Gastroenterology 1965; 48: 822.abst.
54. Sphincter Abnormality in Hyperthyroidism. J. Alva MD, P. Hookman MD, A.I. Mendeloff MD, Clinical Research,3:254,1965. Abst.
55. Aperistalsis of the Esophagus in Patients with Connective Tissue Disorders and Raynaud's phenomenon. Mary Betty Stevens MD, Perry Hookman MD, Charles I.

Siegel MD, John R. Esterly MD, Lawrence E. Schulman MD, and Thomas R. Hendrix MD, New England Journal of Medicine, 1964; 270: 1218.

56. The Relationship of Raynaud's Phenomenon to Aperistalsis of the Esophagus, Perry Hookman MD, Mary B. Stevens MD, Charles E. Siegel MD, John R. Esterly MD, and Thomas R. Hendrix MD. Gastroenterology, 1963; 44:833, abst.
57. Dysphagia Localized to the Hypopharynx and Upper Esophagus: A Cineradiographic and Manometric Study, C.I. Siegel MD, J.C. Harvey MD, P. Hookman MD, A.I. Mendeloff MD, T.R. Hendrix MD, D. Moore MD, Annals of Internal Medicine; 1963 58:725, abst.
58. Abnormal Anal Sphincteric Reflex in Patients with Scleroderma. Marvin M. Schuster MD, Perry Hookman MD, Donald D. Tow MD, and Albert I. Mendeloff MD. Journal of Clinical Investigation, 1963 42:976
59. Failure of Oxethazaine to Alter Acid Induced Symptoms in Patients with Esophagitis. C.I. Siegel MD, P. Hookman MD, T.R. Hendrix MD. Clinical Research 1963; 11:188, abst.
