PROFESSIONAL HISTORY

ATLANTIC HEALTH SYSTEM, Morristown, New Jersey • 1996-2017 **Director, Protection and Security Services/Emergency Management**

Management of the: Public Safety and Security, Fire/Life Safety, Emergency Management, Investigations, and Special Events for a healthcare system that includes:

- Approximately 9.5 million square feet of physical plant, and campus, spread out throughout New Jersey. These one-hundred plus facilities include:
 - **Morristown Medical Center** - a 635-bed, Joint Commission accredited, Level I Regional Trauma Center by the American College of Surgeons and a Level II by the State of New Jersey. It has the largest cardiac surgery center in the State. Ranked by US News as the best hospital in three specialties: cardiology & heart surgery, geriatrics and gynecology.
 - **Overlook Medical Center** - a 535-bed Joint Commission accredited, nationally recognized regional medical center. Recognized by US News as the best regional hospital in seven specialties: gastroenterology & GI surgery, geriatrics, gynecology, nephrology, neurology & neurosurgery, pulmonology, and urology.
 - **Chilton Medical Center** - a 260-bed, fully accredited acute care hospital representing 60 medical specialties including an award winning stroke center.
 - **Newton Medical Center** - a short term, acute care 165-bed hospital located in Northwestern New Jersey that provides prevention, emergency services, inpatient and outpatient surgery, state-of-the-art diagnostic programs, rehabilitation services and aftercare support.
 - **The Goryeb Children’s Hospital** - a state-designated 77-bed children’s hospital providing state-of-the-art health care for children from birth through age 21 in a

healing, family-centered environment. The hospital includes more than 100 board-certified physicians in 20 pediatric specialties.

- **New York Jets** – Official Healthcare Partner.

Mr. Robinson, directly and indirectly manages over one-hundred (100) security officers, investigators, fire safety, emergency management and contract law enforcement officers.

He has successfully navigated numerous external agency regulatory compliance surveys including those from the “Joint Commission”, State Department of Health, New Jersey Office of Homeland Security and New Jersey Office of Counter-Terrorism and is the current Chairman of the AHS:

- Occupational Health and Safety Committee;
- Emergency Management Committee; and
- Workplace Violence Committee

The healthcare system maintains and manages approximately:

- 14,000+ employees system-wide;
- 2600+ physicians and surgeons
- 1750 inpatient beds;
- 750,000+ inpatient and outpatient admissions;
- 450 helicopter traumas;
- 200,000+ emergency room visits; and
- 7500 births

NATIONAL CENTER FOR MISSING AND EXPLOITED CHILDREN • 1997-Present

Representative, PROJECT ALERT (America’s Law Enforcement Retiree Team)

Member Project ALERT (America’s Law Enforcement Retiree Team), a division of the National Center for Missing and Exploited Children (NCMEC) and the Adam Walsh Foundation. As the New Jersey representative for Project ALERT, speaks to parents, teachers and law enforcement officials throughout the state and nationally on the topic of child abduction. Teaches the audience how pedophiles and child abductors think and operate, and how to safeguard their children against them. Presentations are conducted once every two weeks for the last 20 years on a completely voluntary basis without any compensation.
