PROFESSIONAL PROFILE SYNOPSIS

- Internationally recognized occupational therapist specializing in upper limb amputee rehabilitation since 1975.
- Fellow, International Society of Prosthetics and Orthotics (ISPO)
- Honorary member, American Academy of Orthotics and Prosthetics (AAOP)
- Author of Chapter entitled “Principles of Occupational and Physical Therapy in Upper Limb Amputation,” in text entitled **Bionic Limb Reconstruction**, Eds. Aszmann and Farina, 2021 publication.
- Contributing author of 2 peer-reviewed Hand Clinics articles entitled: *Restoring Form and Function to the Partial Hand Amputee (2021)* , and *Hand Surgeon’s Understanding of Partial Hand Prostheses: Results of a National Survey Study (2022)*.
- (LLPR) **Advisory Panel member of 2019 NIH/DOD National Limb Loss Preservation Registry designed to improve the prevention, treatment, and rehabilitation efforts for the US upper limb loss population.**
- Reviewer for peer-reviewed journal, *Journal of Rehabilitation Research & Development, Prosthetics & Orthotics International, Journal of Prosthetics and Orthotics* 2009- present.
- Advisor/Mentor to Baylor College of Medicine, Masters of Prosthetics and Orthotics students, Houston, TX
- Past Clinical Consultant for Touch Bionics; wrote protocols for ilimb hand and idigits electric multi-articulating hand and digits.
- Upper Limb Clinical Specialist to insurance case managers and rehabilitation nurses at Paradigm Health, largest catastrophic case management company in United States.
- OT Consultant to ***Department of the Army Advanced Amputee Training Center and Army Medical Specialist Corps, Walter Reed Army Medical Center, 2002-2005.***
- Wrote protocol of first generation of DEKA arm (2007 DOD project).
- Presented numerous papers at national and international rehabilitation professional meetings.
- Authored peer-reviewed journal articles and authored several chapters in amputee rehabilitation texts.
- Editor/Author of two texts on comprehensive management of the child and adult with upper limb amputation entitled: **Comprehensive Management of the Upper Limb Amputee**, and **Functional Restoration of Adults and Children with Upper Extremity Amputation** Eds. Atkins and Meier.

- Coordinated and wrote several upper limb prosthetic grants awarded by the NIH, NASA and VA totaling over \$600,000.

PROFESSIONAL EXPERIENCE

Consultant to NYU Center for Amputee Reconstruction (CAR)
2021-present

Clinical Consultant to Ossur/Touch Bionics
2008-2020

Amputee Clinical Specialist to Paradigm Health Corp.
2000-present

Administrative Coordinator/Therapist
Amputee Program, Brachial Plexus and Hand Center
The Institute for Rehabilitation and Research (TIRR)
Houston, Texas
1988 – 2000

Administrative Coordinator/Therapist
University of Colorado Health Science Center (UCHSC)
Denver, Colorado
1986 - 1988

Administrative Coordinator/Therapist
Houston Center for Amputee Services
The Institute for Rehabilitation and Research (TIRR)
Houston, Texas
1979 - 1986

Acting Director
Outpatient Occupational Therapy Services
The Institute for Rehabilitation and Research (TIRR)
Houston, Texas
1978 - 1979

Staff Occupational Therapist
The Institute for Rehabilitation and Research (TIRR)
Houston, Texas
1975 - 1978

EDUCATION

Bachelor of Science in Occupational Therapy
Cum Laude - 1974
University of New Hampshire

ACADEMIC APPOINTMENTS

Assistant Professor
Department of Physical Medicine and Rehabilitation
Baylor College of Medicine
Houston, Texas
1993 to Present

Instructor
Department of Physical Medicine and Rehabilitation
Baylor College of Medicine
Houston, Texas
1988 – 1993

Instructor
Department of Rehabilitation Medicine
University of Colorado Health Sciences Center
Denver, Colorado
1986-1988

ACHIEVEMENTS

Honors and Awards

Fellow
International Society of Prosthetics and Orthotics (ISPO)
1990- present

Clinical Achievement Award
Department of Physical Medicine and Rehabilitation
Baylor College of Medicine
1993

American Academy of Orthotists and Prosthetists, Honorary Member,
1995

Who's Who in Medicine and Healthcare, 2nd Edition
1998

SPECIAL PROFESSIONAL COMMITTEE APPOINTMENTS

OT Representative on Amputee Coalition Limb Loss Task Force- 2015

OT Specialist/Consultant to US Army Surgeon General in Upper Extremity Amputation
2002 – 2005

OT Consultant to Department of Army Advanced Amputee Training Center
Walter Reed Army Medical Center, Washington, D.C.
2002 to 2005

RESEARCH

Title: **Priorities for Improving the Function of Electric Prostheses as Defined by Child and Adult Users**

Granting Agency: NASA/JSC and Texas Medical Center

Grant Coordinator: Diane J. Atkins, OTR

Principal Investigator: Diane J. Atkins, OTR

Time Period: June 1, 1999 to November 30, 1999

Amount Funded: \$50,000

Title: **Establishing Standards of Care: Upper Limb Prosthetic Services**

Granting Agency: Veteran's Administration

Grant Coordinator: Diane J. Atkins, OTR

Time Period: October 1, 1995 to March 31, 1998

Amount Funded: \$230,208

Title: **Applying Space Technology to Enhance Control of an Artificial Arm**

Granting Agency: NASA/JSC and Texas Medical Center

Grant Coordinator: Diane J. Atkins, OTR

Principal Investigator: Diane J. Atkins, OTR

Time Period: September 8, 1995 to September 7, 1996

Amount Funded: \$83,799

Title: **A Next Generation Myoelectric Prosthesis**

Granting Agency: NIH/NCMRR

Grant Coordinator: Diane J. Atkins, OTR

Time Period: 1992 – 1994

Amount Funded: \$244,068

MANUSCRIPT REVIEWER

American Journal of Transplantation

February 2022- present

PRESENTATIONS/LECTURES (1990 to Present)

Atkins, DJ: *The Realities of Overuse Conditions in the Individual with Upper Limb Loss and Limb Difference*, 3rd Johns Hopkins Limb Loss and Restoration Symposium, 2023, Virtual presentation.

Atkins, DJ: *Employment and Activity Trends of Individuals with Upper Limb Difference*, American Academy of Orthotists and Prosthetists (AAOP) Annual conference, 2022, Atlanta GA.

Atkins, DJ: *Experiences and Outcomes of Individuals with Partial Hand Loss*, American Academy of Orthotists and Prosthetists (AAOP), Annual conference 2022, Atlanta, GA.

Atkins, DJ: *The Challenge and Outcome of a Bilateral Partial Hand with Toe-to-Hand Transfer and Prosthetic Intervention: A Case Study*, American Academy of Orthotists and Prosthetists (AAOP) Annual conference, 2022, Atlanta, GA.

Atkins, DJ: *The Evolving role of Occupational and Physical Therapy in Advanced Upper Limb Amputation*, Arab Health: Physical Medicine and Rehabilitation Conference, Dubai, Saudi Arabia, 2021.

Atkins, DJ: *Employment and Activity Trends in Individuals with Upper Limb Absence*, Principal Investigator of NEIRB approved research, Ossur/ Amputee Coalition, 2020.

Atkins, DJ: *Innovations in Prosthetics*, UNH Occupational Therapy webinar presenter, 2020.

Atkins, DJ: *Current Topics in Upper Limb Loss and Difference: Electric Multi-articulating Hands and Digits, Toe-to-Hand Transfers and Hand Transplantations*, Occupationaltherapy.com webinar presenter. 2020

Atkins DJ: *Perceptions of Partial Hand Surgical Treatment and Prosthetic Intervention in the Surgical Community*, American Orthotic and Prosthetic Association, 2019, San Diego, CA.

Atkins, DJ: *A Comparison of functional and quality of life outcomes for complex upper extremity prosthetic users versus hand transplant patients*, American Society for Reconstructive Transplantation, 2018, Chicago, IL.

Atkins, DJ: *Outcomes in Hand Transplantation, Electric Multi-articulating Hands, and Toe-to-Hand Transfers: How Do We Define Success?* Current Concepts in Limb Loss management: Tactics, Touch , Technology and Tomorrow, Penn State/ Hershey Medical Center, 2018, Hershey, PA.

Atkins, DJ: **Keynote Speaker**, *Prosthetic Rehabilitation*, International Symposium on Innovations in Amputation Surgery and Prosthetic Technologies, 2018, Vienna, Austria.

Atkins, DJ: *Latest Advances in Partial Hand Prostheses, and Update on Hand Transplantation*, Paradigm Case Management Summit, 2017, Nashville, TN.

Atkins, DJ: *Personal Perspectives following Bilateral Hand Transplantation: What can be learned from those who have chosen this alternative?* , 13th Congress of the International Society of Vascularized Composite Allotransplantation, 2017, Salzburg, Austria.

Atkins, DJ: *Objective Functional Assessment for Hand Transplantation*, Evolving Issues of Vascularized Composite Allo-transplantation, Johns Hopkins University, 2017, Baltimore, MD

Atkins, DJ: *A Focus on the Patient Experience: Advanced Upper Limb Prosthetic Restoration vs. Hand Transplantation and Toe-to-Hand Transfers*, Myoelectric Controls Symposium, University of New Brunswick, 2017, Fredericton, New Brunswick, Canada.

Atkins, DJ: *A Focus on the Experience: Hand Transplantation vs. Advanced Prosthetic Restoration*, Amputee Coalition of America Annual Conference, 2017, Louisville, KY.

Atkins, DJ: *Outcomes in Hand Transplantation, Electric Multi-articulating Hands, and Toe-to-Hand Transfers*, 57th Congress of the German Academy of Hand Surgery and 21st Congress of German Occupational Therapists, 2016, Frankfurt, Germany.

Atkins, DJ: **Keynote President's Symposium** coordinator and speaker: "Transplantation, Vascularized Transfers and Bionic Prostheses: Live at the ASSH", American Society of Surgery for the Hand (ASSH), 2016, Austin, Texas.

Atkins, DJ: *Current State of the Art Treatment of Upper Limb Amputees*, Georgia Tech Masters Prosthetic and Orthotic students, 2015, Atlanta, Georgia.

Atkins, DJ: *Past, Present and Future of Upper Extremity Prostheses*, **Keynote presentation**, 49th Japanese Occupational Therapy Congress, 2015, Kobe, Japan.

Atkins, DJ: *Symposium: Functional Outcomes in Electric Multi-Articulating Hands and Hand Transplantation: How do we define Success?* International Society of Prosthetics and Orthotics World Congress, 2015, Lyon, France.

Atkins, DJ: *A Comparison of the Subjective Experience of Bilateral Prosthetic Wearers, Bilateral Hand Transplants and Bilateral Toe-to-Hand Transfers*, 6th Combined meeting of American Society of Surgery for the Hand/Japanese Society of Surgery for the Hand, 2015, Maui, Hawaii.

Atkins, DJ: *Preliminary Outcomes Comparing Function of Electric Multi-Articulation Hands and Digits, Toe-to-Hand Transfers, and Hand Transplantations*, American Academy of Orthotists and Prosthetists, 2014, Chicago, Ill.

Atkins, DJ: *Preliminary Outcomes Comparing Function of Electric Multi-Articulating Hands and Digits, to Toe-to-Hand Transfers and Hand Transplantations*, American Congress of Rehabilitation Medicine Annual meeting, 2014, Toronto, Canada.

Atkins, DJ: *Measuring Functional Outcomes in Hand Transplantation*, American Society for Reconstructive Transplantation Biennial Meeting, 2014, Chicago, Ill.

Atkins, DJ: *Is it Possible to Compare the Functional Outcomes of Electric Multi-Articulating Hands and Digits with the Functional Outcomes of Toe-to-Hand Transfers and Hand Transplantations?* World Society of Reconstructive Microvascular Surgery World Congress, 2013, Chicago, Ill.

Atkins, DJ: *Congenital Partial Hand Absence: What is the Impact of Fitting with Electric Multi-Articulation Digit Prostheses?* Brussels Hand/Upper Limb International Symposium, Advances in Prosthetics and Surgical Reconstructions for Hand/Upper Extremity Amputees, 2012, Brussels, Belgium.

Atkins, DJ: *Congenital Partial Hand Absence in Adolescents*, American Academy of Orthotists and Prosthetists, 2012, Atlanta, Georgia.

Atkins, DJ: *Emerging Trends in Adolescents with Congenital Partial Hand Absence fit with Electric Multi-Articulating Digit Prostheses*, Association of Children's Prosthetic and Orthotic Clinics annual meeting, 2012, Banff, Alberta, Canada

Atkins, DJ: *Occupational therapy Training Principles for the Partial Hand Amputee, Emerging Technology for the Transradial and Partial Hand Amputee*, National Rehabilitation Hospital, 2012, Washington DC

Atkins, DJ: *What Defines True "Success" in Upper Limb Prosthetic Utilization?* **Keynote presentation** at the Trent International Prosthetic Symposium, 2012, Loughborough, UK

Atkins DJ: *Overview of Upper Limb Prosthetics: A Therapist's Perspective*, Georgia Tech Masters Prosthetics & Orthotics Graduate Class, 2011, Atlanta, Georgia.
