## Professional Experience:

### **NECSC, LLC (North East Commercial Safety Consulting, LLC)**

### **Owner/Manager**

March 2015 - current

Using a 'peer talking to a peer,' first-hand experience approach, advise drivers of current/changing rules, regulations, trends in the transportation industry, and how to perform their work safely. Transportation and safety education/training in multi-state areas via classroom setting, online and/or on-site. Consult transportation businesses regarding streamlining of their operations, driver recruitment and retention, regulations, and safety. Also assist companies with employee handbook updating or development. Provide consultation to attorneys and insurance companies regarding rules, regulations and safety standards of the transportation industry. Streamline daily operations of intermodal trucking company, including paperwork processing and dispatching.

### **Entz Trucking, Inc. (FedEx Ground)**

### **Driver/Trainer**

September 2014 - current

Part-time, fill-in driver. Safely operate double/single trailers in the Northeast for Line Haul operations and local P&D work. Maintain proper DOT paperwork. Operate ELD's (electronic logging device). Train newly hired drivers. Conduct monthly safety meetings.

### **Terry Morgan, Inc.**

### **Expert Witness/Consultant**

2015 - 2018

Expert Witness/Consulting services provided in motor carrier industry practices; truck related accidents; physical distribution management; shipping and dock operations; loading and unloading; and regulatory compliance. Additionally, transportation economics; tanker and dump truck operations; independent contractor and broker operations; motor carrier/driver standards of safety and care; warehousing and distribution management; hazardous materials transportation and freight loss/damage prevention.

## Summary Curriculum Vitae Of:

# Christina M. Comisarek – CDS, CDT

**Certified Director of Safety, Certified Driver Trainer**

*Transportation Expert – Safety, Driver Training, Driver Behavior,  
Business Financial and Accident Investigation*

---

### **YOU Safety & Consulting, LLC**

### **Safety Trainer/Consultant**

2014 – 2016

Advised drivers of current/changing rules, regulations, trends in the transportation industry and to think about doing their work safely by focusing on the individual. Conducted classroom training sessions in a multi-state area. Consulted businesses regarding regulations and safety. Assisted companies with employee handbook development. Regularly attended trade shows, seminars, safety forums and did speaking engagements.

---

### **Ron Hartman Trucking, LTD (FedEx Ground)**

### **Manager/Driver**

2004 - 2014

Managed a small trucking company which included overseeing daily and nightly operations; scheduling/routing; maintenance; breakdowns/rentals; emergencies (including accident situations); purchase of new equipment; employee issues; personnel files; payroll; workers compensation; OSHA; Homeland Security; health benefits; DOT required paperwork for business (fuel tax, etc.); assisted with development of Employee Handbook; developed training/procedure material; oversaw safety program; wrote monthly safety newsletters; interviewed and road tested prospective new hires; trained newly hired drivers on company policies/procedures, including how to safely hook up doubles.

Safely operated short doubles daily/nightly in a line haul capacity, which included several drops and hooks; often driving through adverse Northeast winter conditions (specifically Lake Effect snow). Also did local P&D work. Maintained daily DOT paperwork/procedures. Operated ELD (electronic logging device).

---

### **Orchard Park Central School**

### **School Bus Driver**

2004 - 2007

Safely transported children ages K–12, including those with special needs. Performed proper pre-trip/post-trip procedures.
