Short Biography: Mr. Gregory D. Lilyhorn, BSCrJ, CFC, CAS, CPP, LPI, CHS-V has an extensive and distinguished history of service and participation in public safety and community betterment. Greg currently serves on the Downtown Dallas Advisory Public Safety Council. Prior to that, he has served as a Cyber-Security Committee member with the North Texas Crime Commission, Dallas Downtown Emergency Response Team (DERT) and as the ASIS North Texas Chapter Vice-President, and a committee lesion for a number of years.

Greg goal has always been to work diligently to promote professionalism in the private security and investigations industries. When first entering the commercial security sector, he observed companies and individuals conducting business in area of ethics and even legalities in a manner that concerned him. As a way of working towards his goal of improving the overall image of the private security and crime prevention fields, he became involved in training and education, and licensed his own continuing education training school. Additionally, he has worked with other professionals and the state in improving continuing education requirement. Greg has served as a continuing education school director for over ten years starting in 2008.

Mr. Lilyhorn is an accomplished "Toastmaster" guest lecturer, and is a seasoned speaker on topics pertaining to private security, public safety and emergency management. Greg holds a "Comprehensive" (BSCrJ) Bachelor of Science degree in Criminal Justice Science from the University of Nebraska and is a membership of the "Lambda Alpha Epsilon" American Criminal Justice Association and is a licensed Law Enforcement and Security Instructor by the State of Texas.

He has been honored with the J. Edgar Hoover Memorial Award for Distinguished Public Service and the Honor Award for Distinguished Achievement in Public Service by the American Law Enforcement Association, upon his federal retirement in 2004 he was again honored with the National Law Enforcement Patriotism Award and the Distinguished Law Enforcement Service Award. Also, while employed with the Tenet Healthcare Corporation he was involved in massive evacuation operations for the 2008 Houston Texas Hurricane Ike and the 2005 Hurricane Katrina and Rita disaster response operations and was honored for his work in rescue and disaster response efforts. Professionally he's been honored by being listed in the prestigious Marquis Who's Who Directory which is a listing for colleges, universities, and public library directories world-wide in recognizing highly successful individuals in varying areas of professional expertise. He is also held listings in Princeton's Who's Who and in the Biltmore Who's Who of influential American professionals.

Greg also is a United State Air Force Veteran of the Vietnam War and a member of the VFW, American Legion and the USAF Security Police Association. Additionally, he has served on a number of political party committees and precinct chairs and in community improvement groups.

Although he has been blessed with a vast clientele and a successful business, for which he is grateful, he strives to maintain a low profile and prefers to work behind the scenes rather than solicit attention, partially due to his penchant for discretion and respect for his clients and business associates.

Affiliations: Greg has continued advance his expertise and additional continuing educational participation such organizations as the; American College of Forensics Examiners, International Association of Professional Security Consultants, International Association of Healthcare Security & Safety, Association of Certified Fraud Examiners, National Fire Protection Association, International Association of Security & Anti-Terrorism Professionals, Texas Independent Private Investigators Association, North Texas Crime Commission and the American Society for Industrial Security, Forensic Expert Witness Association and is a life-time member of the International Police Association.
