

EXPERT WITNESS:
ROBERT J. COVENTRY, Jr., CPP, CHS (III)

Mr. Robert Coventry has over twenty-five years' experience in the protection, security, and investigation field. Mr. Coventry started his career in protection in The United States Army. He currently is the Chief Operations Officer of Starside Security & Investigation, Inc. he has held that position since 1991. He is licensed in California and Florida as a Private Investigator and Security Company; he is also a licensed locksmith and training facility in California, and was licensed in Arizona. He is certified by the Department of Justice as a Livescan fingerprint roller.

Mr. Coventry is the Chief Operations Officer of Starside Security & Investigation which is the Parent Company of multiple Security & Investigative licenses. Starside is one of only 115 Security Companies on the Federal Supply Schedule (GS-07-9400S) and provides service nationwide. Starside's Corporate Headquarters is located in Diamond Bar, California, (Los Angeles County). Starside also has offices in Los Angeles, San Diego, Boulder CO, Phoenix, AZ, Orlando, FL, Chicago, IL and New York City.

Mr. Coventry is Board Certified in Security Management and a Certified Protection Professional (CPP) with the American Society for Industrial Security, International. He is a court qualified expert in use of force, force continuum, escalation and de-escalation of force, security management, executive protection and bar and nightclub security in Los Angeles, Orange, San Bernardino, Riverside, San Diego and Imperial counties California and Maricopa County Arizona (Phoenix).

Mr. Coventry has provided security, executive protection and investigative services for the Government as well as the financial, entertainment and other commercial industries. He has provided executive protection, pre-employment screenings as well as armed and unarmed uniformed security and patrol for both the public and private sector. Major Financial Institutions have contracted Starside to provide robbery suppression teams. Mr. Coventry has trained and manages these teams comprised of primarily active and retired law enforcement officers. He has also trained and manages patrol services that provide alarm response and armed ATM technician escort for the banks.

Mr. Coventry has consulted and provided Security Services consisting of Off-Duty Law Enforcement and armed and unarmed uniformed security officers with numerous major corporations experiencing labor disputes. He has authored a Guide to Labor Disputes still followed by Starside Security Officers at labor dispute locations. As a result of his efforts these labor disputes have not resulted in violent confrontations, and no Labor Board violations.

Since September 11, 2001 Mr. Coventry has obtained a certification in homeland security (CHS III) and has been contracted to provide security at two dams. By doing so he has contributed to the security of the states of California and Arizona's infrastructure.

Prior to 1991 Mr. Coventry worked at Caltech and California State Fullerton as an MIS Manager and the immediate four years as a Private Investigator and a Personal Protection Specialist, (PPS). During this time, he also earned the designation of Certified Master Investigator (CMI).

Mr. Coventry believes in Training, and repetition to building muscle memory. Skills related to Security and Law Enforcement like marksmanship is a perishable skill; if not practiced that skill will deteriorate. Mr. Coventry through Starside's Firearm Training Academy (TFF 1279) he has trained over eighteen-hundred Security Officers in AB 2880 related subject to include Weapons of Mass Destruction, Use of Force, Powers to Arrest and liability in Arizona, California and Florida and Law Enforcement Officers Tactical Carbine and Tactical Shotgun.

Mr. Coventry sits on the Advisory Board for Grossmont College, Corrections Academy, Cal State Fullerton's Extended Education Certificate in Private Investigation. He is the a member of the following professional associations: American Society for Industrial Security, International, Arizona Association of licensed Investigators, California Association of Licensed Investigators, Florida Association of Licensed Investigators, California Institute for Professional Investigators, United States Association of Professional Investigators, Association of Threat Assessment Professionals (ATAP), International Association of Emergency Managers (IAEM), California Robbery Investigators Association and Colorado Robbery Association to name a few.

Mr. Coventry is a highly respected and court recognized expert in Use of Force, Security Management, Private Investigation and Executive Protection. He has made recent appearances on Radio and Television regarding security matters on Eyewitness News, Channel 5 news, KABC Talk Radio and MSNBC. He can be reached at Starside's Corporate Headquarters at (909) 396-9999 or via email at rcoventry@starside.com
