SUMMARY

Leading construction consultant, Florida Licensed Public Insurance Adjuster and Real Estate Broker. Accomplished business experience as current owner of construction, real estate and engineering consulting firms. Sought by individuals, corporations, developers and law firms to oversee and advise on construction projects. Also inspect commercial, residential and industrial facilities before, during and after construction. Assist property owners with complex insurance claims, some of which involve significant and lengthy litigation. More than 42 years' experience as an Expert Witness.

Appointed as a member of the Florida Construction Industry Licensing Board (CILB) by Governor Rick Scott. The CILB is a division of Florida's Department of Business and Professional Regulation (DBPR).

The state Construction Industry Licensing Board is responsible for licensing and regulating the construction industry contractors. The CILB hears grievances and makes determinations on guilt or innocence of violations of rules or statutes. Held the ROOFING Chair on the CILB for 4.5 years.

AREAS OF EXPERTISE

Available to consult with individuals, corporations and small businesses on all issues regarding personal and business property, including expert witness testimony in civil lawsuits. Offer broad and deep experience appearing in court as an expert witness in disputes between owners, builders, contractors and architects. Proven ability to offer effective and ethical witness testimony leading to favorable outcomes for the client. Also available to consult on project and building plans to help determine suitability, feasibility and cost controls.

Providing engineering reports, expert testimony and litigation assistance on insurance claims.
