

## **External Presentations**

- MAPL's "Integrity Management Program", NACE Pipeline Integrity Seminar, November 2002, New Orleans, LA
- MAPL's "Integrity Management Program", NACE Pipeline Integrity Seminar, June 2003, Houston, TX
- Current Efforts on Standards Development for In-Line Inspections, API Pipeline and Cybernetics Conference, April 2004, New Orleans, LA
- Are We All Speaking the Same Language?? - Progressing Towards a Common Vocabulary in ILI and Integrity Management, API Performance Excellence Forum: Inspection and Testing, October 26, 2004
- Pipeline Integrity and In-Line Inspection Standards, NACE Pipeline Integrity Management Seminar, February 9, 2005, Houston, TX
- ILI Standards & Their Relationship To Safety & Integrity - PHMSA Public Meeting on ILI, August 11th, 2005, Houston, TX
- API 1163 ILI Systems Qualification – Pipeline Pigging and Integrity Management Conference, February 15, 2006, Houston, TX
- ILI Inspection Of Marathon Brae Pipelines Export Systems – Pipeline Users Group (UK) September 2010, Aberdeen UK
- Pipelines Servicing Mature Oil & Gas Fields – Operational challenges to the ability to prepare and inspect pipelines, Arena Oil & Gas Technology Forum 2012, 19 April 2012, Aberdeen UK
- Preparation for In Line Inspection - The Goal of First Run Success, 6th Annual Global Pipeline Inspection & Integrity Forum, 3 February 2012, Barcelona, Spain
- Maximising Pipeline Structural Integrity and Prolonging Pipeline Life Cycle, 4<sup>th</sup> Annual Marcus Evans Oil and Gas Pipeline Integrity Management and Maintenance Forum, February 2010, London, UK.
- Challenges Faced by Operators In Securing a Successful Pipeline Inspection –Fleming Europe 7th annual Pipeline Integrity Management Forum, February 6, 2014, Berlin Germany
- Managing Integrity with Successful Pipeline Inspection: Technologies, Experiences, and Best Practices, WTG 6th Annual Pipe Tech Americas Summit, April 22, 2015, San Antonio, TX

## **Papers with presentations**

- High-resolution MFL Reinspection –confirmation of established operating integrity, 7th International Pipeline Pigging and Integrity Management Conference, February 1995, Houston, TX
- In-Line Inspection of an Offshore Crude Oil Gathering Pipeline, Lessons in Endurance and Patience – NACE paper 02077, NACE Pipeline Integrity Symposium, April 8, 2002, Denver, CO.
- Pipeline Integrity Assessment Applied to the Conversion of a Large Diameter Natural Gas Transmission Pipeline to Liquid Products Service - NACE paper 02068, NACE Pipeline Integrity Symposium, April 8, 2002, Denver, CO.
- Status of U.S. ILI Standards – International Pipeline Conference paper IPC04-0091, September 2004, Calgary, AB
- The Genesis and Applications of API Standard 1163, ‘Inline Inspection Systems Qualification Standard’ - 32nd Pipeline Pigging and Integrity Management Conference, February 2020, Houston, TX

## **Webinars (Global audience)**

- Pipeline Integrity – Extending the Pipeline Lifecycle, Business Review Webinars, February 2011
- Introduction to ILI Standards - Southern Gas Association webinar, March 2006
- A Liquid Operator’s Experience with API 1163 – Southern Gas Association webinar, March 2006

## **Industry Seminar Instruction (Masterclasses)**

### **Pipeline Integrity Management in High Consequence Areas - Hazardous Liquid Pipeline Operators, NACE Pipeline Integrity Management and Direct Assessment Seminar**

April 7, 2002, Denver, CO.

### **In Line Inspection: Strategy and Tactics for Pipeline Integrity Management Campaigns**

7<sup>th</sup> – 8<sup>th</sup> October 2015, Houston, TX

### **In Line Inspection: Strategy and Tactics for Pipeline Integrity Management Campaigns - What you need to know**

26<sup>th</sup> – 27<sup>th</sup> January 2016, Houston, TX

### **Safety and Engineering Assessment of Onshore Pipeline Gathering Systems**

27 Feb-02 Mar 2017, Houston, TX

## **Industry Symposium and Seminar Leadership**

Vice-Chairman, NACE Pipeline Integrity Symposium, April 2002, Denver, , CO.

Chairman, NACE Pipeline Integrity Symposium, March 2003, San Diego, CA.

Chairman, 4th Annual Marcus Evans Oil and Gas Pipeline Integrity Management and Maintenance Forum, February 2010, London United Kingdom

Session Chairman and Conference Panel Discussion Moderator, Fleming Europe 7th annual Pipeline Integrity Management Forum, February 2014, Berlin, Germany

Vice-Chairman, NACE Pipeline Integrity Symposium, March 2017, New Orleans, LA.

Chairman, NACE Pipeline Integrity Symposium, April 2018, Phoenix, AZ

Session Chairman, 31<sup>st</sup> Pipeline Pigging and Integrity Management Conference, February 2019, Houston, TX

Session Chairman, Unpiggable Pipeline Solutions Forum, June 2019 and May 2015, Houston, TX

Session Chairman, 32nd Pipeline Pigging and Integrity Management Conference, February 2020, Houston, TX
