### Experience

#### **Certified Physician Assistant** | Emergency Medical Consultants - Jackson, Michigan | 01/2017 - 07/2020

Employed part-time as an independent contractor to staff the Emergency Room/Urgent Care Clinic at Duane Waters Hospital of Southern Michigan Prison.

Clinical Responsibilities Included:

- Evaluation and management of inmates presenting for emergent as well as minor illnesses. To include trauma, cardiac events, respiratory distress, diabetes, and mental health emergencies.
- The admission of inmates transferred from regional community hospitals for continued care.
- Coordinate admission to the inpatient floor after reviewing the records from the previous hospital and entering the appropriate medications, additional consultations, radiographic studies, and pending outpatient consultations.
- Utilized EHR systems; NextGen and Correctional Offenders Management System.

#### **Certified Physician Assistant** | IHA Primary Care - Brooklyn, MI | 07/2019 - 02/2020

Initially employed by Cole Family Practice in 2000 this practice was eventually acquired by Trinity Health Chelsea Hospital and subsequently acquired by IHA Healthcare a subsidiary of Trinity Health.

The practice under IHA consisted of three physicians and two Advanced Practice Providers.

Clinical responsibilities included:

- Performing a complete history and physical examination, management of patients from adolescents to geriatrics as well as minor office procedures.
- Reviewing incoming laboratory reports, radiology studies, and specialty consultations.
- Formulate diagnoses based on physical examination, test results, and the patient's reported symptoms.
- Prescribe appropriate treatment and medication to ameliorate symptoms and treat the underlying condition.
- Utilized EHR Systems; Athena and EPIC.

#### **Certified Physician Assistant** | Rose City Family Practice - Jackson, MI | 01/1979 - 02/2001

Employed by a multi-physician family practice. Clinical management divided between two locations.

Clinical Responsibilities Included:

- Management of patients from infancy to geriatrics
- Complete history and physical examinations
- Minor office surgeries, colposcopies, and cardiac stress testing.

**Certified Physician Assistant** | Addison Medical Associates - Addison, MI | 01/1988 - 03/1991

Independent Contractor employed part-time to staff the Addison Community Hospital Emergency Room and Urgent Care Center. Primary on-call provider after-hours based on a rotating schedule.

Clinical Responsibilities Included:

- Evaluation and management of all patients presenting for treatment
- Stabilization of trauma patients, cardiopulmonary arrest and other life threatening events pending physician arrival
- Preliminary interpretation of X-Rays, electrocardiograms, laboratory studies.
- Coordinated patient transport by Life Flight Helicopter to referral centers.

**Certified Physician Assistant** | MediStation Of Jackson - Jackson, MI | 01/1987 - 02/1991

Employed part-time in an Urgent Care Center.

Clinical Responsibilities Included:

- Evaluation and management of patients presenting for treatment of minor and emergent medical conditions.

**Addison Medical Center** | Amos Rawson, MD - Addison, MI | 06/1973 - 06/1979

Employed by a solo family practitioner. The office was located in a rural twenty-four-bed community hospital.

Clinical Responsibilities Included:

- Evaluation and management of all patients in the office, emergency room, and hospital.
- Complete history and physical examination
- First assisting in the surgical suite
- Dictation of discharge summaries, patient rounds, writing progress notes, ordering consultations, and prescribing appropriate treatment.
