### **Professional Experience**

- January 1993-present  
*President*, Fitguard, Inc.  
Fitguard provides safety inspections, service, and Preventative Maintenance programs for fitness facilities throughout Northern California and Northern Nevada. Fitguard has responded to more than one million service calls within the last thirty years. We represent several major manufacturers, providing them with warranty service.
- January 1991-May 1993  
*Fitness Specialist*, Exercise Equipment Co.  
My duties at EEC included the sale of fitness equipment and training customers on how to use their fitness equipment. I also performed equipment installation, Preventative Maintenance, and service.
- January 1990-January 1991  
*Strength Coordinator*, YMCA of Greater Sacramento  
My duties at the YMCA included the training of new members on how to use the fitness equipment. I also supervised a staff of twelve trainers and designed programs for them to use with members. I was responsible for safety inspections and servicing the fitness equipment.
