

Travis C. Tatum, PE, CWI, NACE, API
President & CEO

Travis Tatum has been practicing engineering since 2006. Certified in both civil and structural engineering, he is skilled at bringing

projects in on-time and on-budget. A recognized expert in structural and corrosion engineering design, construction, and rehabilitation, Travis has presented numerous white papers at various conferences and has served as an expert witness. A licensed pilot, Travis brings the same passion to engineering as he does to flying.

Structural Engineering

- Commercial Building Roof Evaluation & Rehabilitation, City of College Station, TX.
- Sam Houston State University Bowers Stadium Rehabilitation and Expansion, Huntsville, TX
- Structural Evaluation & Rehabilitation of the historic Texas Cotton Gin Museum, Burton, TX
- Commercial and Residential Foundation Evaluation & Design
- Modification Inspection, Design & NDT for Various Monopoles, Self-Support Towers, Guyed Towers & High-Mast Light Poles (HMLPs). Customers include SHSU, Crown Castle, and SBA Communications.

Storage Tank & Corrosion Engineering

- Rehabilitation of Sugar Land and Baytown Elevated Water Storage Tanks, winners of the 2015 and 2016 SSPC William Johnson Award for outstanding achievement demonstrating aesthetic merit in industrial coating work.
- Rehabilitation of 4 Elevated Water Storage Tanks, Fort Worth Water Department, Fort Worth, TX
- API Inspection, Evaluation, Rehabilitation and Return-To-Service of 6 Fuel Storage Tanks for Fikes Waco Terminal, Waco, TX
- Rehabilitation of 4 Elevated Water Storage Tanks, SJRA, The Woodlands, TX.
- Rehabilitation of 5 Elevated Water Storage Tanks, Port Isabel and South Padre Island, TX
- Design & Construction Mgmt. of Horseshoe Bay West and Summit Rock Composite Elevated Tanks, City of Horseshoe Bay, TX.
- Rehabilitation of 2.0MG Elevated Water Storage Tank, Brownsville PUB, Brownsville, TX.
- Fuel Storage Tank Evaluations & Air Monitoring, College Station Fire Training Center, TEEX, College Station, TX

Education

MEng, Civil Engineering, Texas A&M University, 2008
BBA, Finance, Texas A&M University, 2001

Licenses/Certifications

Professional Engineer
No. 110343, TX
Professional Engineer
OK, NC, SC, (CIV, STR).
Lead Paint Abatement
C3-SSPC.
API 653 & STI
SP001 Storage Tank
Inspector.
Certified NACE
Coating Inspector
Level 1.
NDT Level III

Professional Associations

API Sub-Committee on
Above-Ground Storage
Tanks.
NSPE/TSPE.

*Travis' background
in business is one
reason he excels at
managing project
budgets.*
