CAREER SUMMARY:

I am Board-certified interventional and general cardiologist with additional specialization in vascular disease and pulmonary embolism. I have vast tertiary care experience in the medical management of cardiovascular conditions as well as interventional techniques such as coronary and peripheral vascular interventions, pulmonary vascular intervention, mechanical circulatory support, and structural heart interventions.

CURRENT FACULTY APPOINTMENTS:

2018- Present Assistant Professor of Clinical Medicine,
University of Michigan Medical School
Ann Arbor, MI.

CURRENT HOSPITAL APPOINTMENTS:

2018- Present Director of Interventional Vascular Medicine,
University of Michigan Hospital
Michigan Medicine,
Ann Arbor, MI.

BOARD CERTIFICATIONS:

2016- Present Vascular Medicine (American Board of Vascular Medicine)
2016- Present Endovascular Intervention (American Board of Vascular Medicine)
2015- Present Interventional Cardiology (American Board of Internal Medicine)
2014- Present Cardiovascular Disease (American Board of Internal Medicine)
2010- Present Internal Medicine (American Board of Internal Medicine)

SKILLS CERTIFICATIONS:

- 2015- Present Registered in Peripheral Vascular Ultrasound Interpretation (ARDMS)
- 2014- Present Adult Comprehensive Echocardiography (American Society of Echocardiography)

STATE MEDICAL LICENSURES:

- 2018- Active Michigan
- 2014- 2018 Pennsylvania
- 2015- 2018 Kentucky
- 2015- 2017 Illinois
- 2011- 2017 Colorado
- 2010- 2013 New York

EDUCATION:

- 2011 Masters in Public Health and Health Care Administration,
Johns Hopkins University,
Baltimore, MD.
- 2006 Bachelor of Medicine and Surgery (Medical School)
Maulana Azad Medical College,
University of Delhi, New Delhi, India.

POSTGRADUATE TRAINING:

- 2016 Endovascular Interventional Fellowship
Prairie Heart Institute,
Springfield, IL.
- 2015 Interventional Cardiology Fellowship,
Temple University,
Philadelphia, PA.

- 2014 Cardiovascular Disease Fellowship,
University of Colorado School of Medicine,
Aurora, CO.
- 2010 Internal Medicine Residency,
Albert Einstein College of Medicine (Jacobi),
Bronx, NY.

PREVIOUS FACULTY APPOINTMENTS:

- 2016- 2018 Assistant Professor of Clinical Medicine,
Lewis Katz School of Medicine at Temple University
Philadelphia, PA.
- 2010- 2011 Chief Resident and Instructor in Medicine,
Albert Einstein College of Medicine (Jacobi),
Bronx, NY.

PREVIOUS HOSPITAL APPOINTMENTS:

- 2016- 2018 Staff Interventional Cardiologist, Temple Health, Philadelphia, PA.
- 2015- 2016 Staff Interventional Cardiologist, St. John's Hospital, Springfield, IL.
- 2015- 2016 Staff Interventional Cardiologist, Memorial Hospital, Springfield, IL.
- 2014- 2015 Staff Cardiologist, Penn Presbyterian Medical Center, Philadelphia, PA.
- 2011- 2014 Staff Hospitalist, Swedish Medical Center, Englewood, CO
- 2011- 2014 Staff Hospitalist, Porter Adventist Hospital, Denver, CO.
- 2013- 2014 Staff Hospitalist, Medical Center of Aurora, Aurora, CO.
- 2013- 2014 Staff Hospitalist, Sky Ridge Medical Center, Lone tree, CO.
- 2010- 2011 Staff Hospitalist, North Bronx Health Care Network, Bronx, NY.

SPECIALTY BOARD CERTIFICATION:

- 2016- Present Vascular Medicine (American Board of Vascular Medicine)
- 2016- Present Endovascular Intervention (American Board of Vascular Medicine)

- 2015- Present Interventional Cardiology (American Board of Internal Medicine)
- 2014- Present Cardiovascular Disease (American Board of Internal Medicine)
- 2010- Present Internal Medicine (American Board of Internal Medicine)

SKILLS CERTIFICATION:

- 2015- Present Registered in Peripheral Vascular Ultrasound Interpretation (ARDMS)
- 2014- Present Adult Comprehensive Echocardiography (American Society of Echocardiography)

AWARDS, AND HONORS:

- 2013 S. Gilbert Blount Research Fellow of the Year
Division of Cardiology, Department of Internal Medicine
University of Colorado School of Medicine, Aurora, CO.
- 2013 Top Reviewer, Annals of Internal Medicine.
- 2012 Top Reviewer, Annals of Internal Medicine
- 2011 Top Reviewer, Annals of Internal Medicine
- 2010 Outstanding Teacher Award,
Albert Einstein College of Medicine (Jacobi),
Bronx, NY.
- 2009 First prize, Annual Milford Fulop Research Competition,
Albert Einstein College of Medicine (Jacobi), Bronx, NY.
- 2008 Intern of the Year,
Albert Einstein College of Medicine (Jacobi), Bronx, NY.

GRANT FUNDING:

- 2012 American Heart Association- Two-year post-doctoral research grant with full salary support.

EDUCATOR'S PORTFOLIO:*List of Mentees (Clinical and Research):*

1. Saurav Chatterjee, MD: I was a co-clinical and research mentor during his Interventional Cardiology Fellowship training at Temple University Hospital from July, 2016- June, 2017. Dr. Chatterjee developed and reported a novel technique of establishing short term femoro- femoral bypass percutaneously under my mentorship. He published numerous manuscripts in peer reviewed journals.
2. Vladimir Lakhter, DO: I am a co-clinical and research mentor for Dr. Lakhter since July 2016, during his Cardiology and Interventional Cardiology Fellowship training programs at Temple University Hospital. Dr. Lakhter co-authored a book chapter on "Current Status and Outcomes of Iliac Artery Endovascular Intervention" with me and has published numerous original contribution manuscripts in peer reviewed journals. He is expected to graduate from Interventional Cardiology Fellowship this academic year (June 2018) and is then pursuing an advanced fellowship in Endovascular Interventions at Massachusetts General Hospital, Harvard Medical School from July 2018- June 2019.
3. Charles Nicolais, MD: I am a co-clinical and research mentor for Dr. Nicolais since July 2016, during his Cardiology Fellowship training at Temple University Hospital. Dr. Nicolais research work is focused on novel therapies on percutaneous ventricular support. He has presented our work on percutaneous right ventricular support at national meetings and has manuscripts under review in peer reviewed journals. He is expected to graduate from Cardiology Fellowship (June 2019) and is then pursuing an advanced fellowship in Interventional Cardiology and Structural Heart Interventions at University of Pittsburgh Medical Center, from July 2019- June 2021.
4. Russell Rosenberg, MD: I am a co-clinical and research mentor for Dr. Rosenberg since July 2017, during his Cardiology Fellowship training at Temple University Hospital. Dr. Rosenberg is focusing his research work on techniques to limit contrast usage during cardiac interventional procedures. He is expected to graduate from Cardiology Fellowship (June 2020).
5. Aaron Lee, MD: I am a co-clinical and research mentor for Dr. Lee since July 2017, during his Internal Medicine training at Temple University Hospital. Dr. Lee is focusing his research work on qualitative research focusing on improving medication compliance after undergoing percutaneous coronary revascularization. He also co-authored an expert review on management of acute pulmonary embolism with our group in the American College of Cardiology "CardioSource" online resource. He is expected to graduate from Internal Medicine Residency (June 2018) and is then pursuing a fellowship in Cardiology at Drexel University College of Medicine from July 2018- June 2021.
6. Manish Suryapalam, BS candidate: I am a research mentor for Dr. Suryapalam since July 2017. He is working with our group, gaining experience in research methodology and helping with various research projects. He is expected to graduate from Temple

University in May 2021.

Intramural Lectures and Didactic Courses:

1. Didactic teaching and regular supervision for Cardiology and Interventional Cardiology Fellows at weekly cardiac catheterization conferences as well as various clinical settings like medical floors, cardiac catheterization laboratory and outpatient clinics.
2. Didactic teaching for Cardiology and Interventional Cardiology Fellows at the monthly Cardiology Fellowship and Interventional Cardiology Fellowship Journal Club.
3. Didactic teaching at the Internal Medicine Residency Vascular Medicine Lecture Series.
4. Organized case based work shop titled “Introduction to cardiovascular physiology” for 2nd year medical students at the University of Colorado School of Medicine, September 2012.

09/ 2016- 06/2018 Member, Cost to Treat Initiative Committee, Temple University Hospital, Philadelphia, PA.

INVITED LECTURES AND PRESENTATIONS:

1. Cardiology Grand Rounds Lecture titled “Interventional management of Chronic Pulmonary Embolism” at the University of Wisconsin, Madison, WI, February 2020.
2. Lecture titled “Balloon Pulmonary Angioplasty for CTEPH”, at the 10th Bangla Interventional Therapeutics meeting of the Cardiovascular Research Foundation, Kolkata, India, January 2020.
3. Cardiology Grand Rounds Lecture titled “Balloon Pulmonary Angioplasty for CTEPH: Overview of an evolving therapy” at University of Michigan Medical School, Ann Arbor, MI, January 2020.
4. Lecture titled “Management of Acute Pulmonary Embolism” at the National Cardiovascular Horizons Detroit Meeting, Detroit, MI, January 2019.
5. Cardiology Grand Rounds Lecture titled “Percutaneous Interventional Management of Right Ventricular Failure” at Lehigh Valley Health Network, Allentown, PA, October 2018.
6. Lecture titled “Balloon Pulmonary Angioplasty: Patient Selection for therapy” at the 30th Annual Transcatheter Therapeutics (TCT) Meeting of the Cardiovascular Research Foundation San Diego, CA, September 2018.
7. Lecture titled “A Case of Massive Pulmonary Embolism” at the 30th Annual Transcatheter Therapeutics (TCT) Meeting of the Cardiovascular Research Foundation San Diego, CA, September 2018.
8. Lecture titled “Known Unknowns in the Management of Sub-massive Pulmonary Embolism” at the 28th Annual Meeting of the Society of Vascular Medicine Chicago, IL,

June 2018.

9. Lecture titled “Right Ventricular Support using novel dual lumen Protek canula” at the International Society of Heart Lung Transplantation Annual meeting, Nice, France, April 2018.
10. Lecture titled “Endovascular Management of Venous Thromboembolic Disease” at the monthly Greater Philadelphia Angio Club, November 2017.
11. Lecture titled “Percutaneous Right Ventricular Support”, at the Annual Heart Failure and Transplantation Symposium organized by Temple University School of Medicine, November 2017.
12. Lecture titled “Percutaneous Left Ventricular Support Saves Myocardium” at the Annual CASES Symposium, Philadelphia, PA, September 2017.
13. Nephrology Grand Rounds presentation titled “Limiting Contrast exposure during Interventional Cardiac Procedures”, at Temple University School of Medicine, February, 2017.
14. Cardiology Grand Rounds presentation titled “Endovascular Management of Abdominal Aortic Aneurysms”, at Temple University School of Medicine, December, 2016.
15. Lecture titled “Management of Acute Coronary Syndromes” at the Annual Medicine Review Course organized by Temple University School of Medicine, November, 2016 in Lancaster, PA.
16. Taught a workshop titled “Challenging Cardiovascular disease cases” at the Annual Medicine Review Course organized by Temple University School of Medicine, November, 2016 in Lancaster, PA.
17. Cardiology Grand Rounds presentation titled “Real world Clinical Research”, at Temple University School of Medicine, May, 2015.
18. Cardiology Grand Rounds presentation titled “Real world Clinical Research”, at University of Colorado School of Medicine, May, 2014.
19. Cardiology Grand Rounds presentation titled “Completeness of Revascularization and Long Term Survival in Patients eligible for Percutaneous Coronary Intervention: A Meta-Analysis of Multi-Vessel Coronary Artery Disease Studies.” at Montefiore Medical Center, Albert Einstein College of Medicine, March, 2010.
